Report of the Committee on Ministry

In Chris Herring’s absence, Bev Barr reported they did not anticipate scheduling any minister examinations at the April Presbytery meeting. COM continues to strive to connect liaisons with particular churches for relationship building between the presbytery and congregations.

The COM Executive Committee was charged by COM at its March meeting to assemble the membership of the Administrative Review Committee (ARC) per G-9.0408 – G-9.0409 for Colonial Presbyterian Church to work with the church in their discernment process as they consider their denominational ties prior to July 1. Charles Spencer stated that the ARC has no power but may review the documents distributed to the congregation; review the process of discernment; and will represent the presbytery at session meetings when invited and at the four town hall meetings that begin on March 27.

Jeff Clayton moved that the Council endorse the Committee on Ministry’s recommendation to appoint an Administrative Review Committee per G-9.0408 and G-9.0409 to work with Colonial

Presbyterian Church during its time of discernment. It was seconded and approved.

Business Affairs

Statement of Activities 2/28/2010 (DOC #6Rev)

Moderator Bond Faulwell noted that our net income in Doc #6Rev is positive but we are in the negative on shared mission. Per Capita is in good shape as of end of February.

Statement of Financial Position 2/28/2010 (DOC #7)

Under Designated Assets, Land for NCD is now zero as we have transferred ownership of that land to Kaw Prairie. The New Horizon mortgage loan value has been added to the Assets.

Per Capita Report 2/28/2010 (DOC #8Rev) Approximately 74% what is due from the churches has been received.

Shared Mission Report 2/28/2010 (DOC #9) Churches have pledged \$284,935 which is more than last year's pledges. Receipts to date are less than those received in the same time frame as last year. Some of the pass-through special offerings are coming through our books as we are now a Central Receiving Agency of the church. This will be a recurring process through the year.

CPIP Payment (DOC #10) CPIP concluded business as of 6/1/2009 and have been working to avoid bankruptcy. Each presbytery received an assessment (\$27,793.01 to Heartland) to ensure that future claims will be honored. The Synod of Mid-America has offered to pay ½ of each presbytery's assessment in their boundaries. **Bond Faulwell moved that Council approve the Business Affairs' recommendation to pay ½ of the Heartland Presbytery assessment in the amount of \$13,896.51.** It was approved.

Report from Personnel Committee

Moderator Jeff Clayton made the following report.

- 1.) The Personnel Committee moves that Presbytery Council recommend to Heartland Presbytery the appointment of an Ad-Hoc search committee at its April Stated Meeting to recommend a candidate to the Committee on Nominations for the office of Stated Clerk to fill the term commencing in January 2011. The Ad Hoc search committee shall consist of two members named by the Personnel Committee, two members named by the Committee on Nominations, one member of Presbytery Council named by the Council Moderator, and two at-large members from Heartland Presbytery named by the Moderator of Presbytery. The search committee shall solicit applications from interested elders and Ministers of Word and Sacrament and make a report and recommendation to the Committee on Nominations no later than their October meeting so that Presbytery can act on a recommendation from the Committee on Nominations and elect a Stated Clerk at the Stated Meeting of Presbytery in November.**

Jeff Clayton indicated that this motion and the subsequent one come as a result of the Personnel Committee's extensive review of staff structure, job descriptions, possible Manual of Administrative Operations revisions, and the practices of other judicatories. He indicated that the process outlined in the motion invites prayerful discernment in three ways—by the Presbytery as it considers a new term for Stated Clerk, by a person who may be presently holding the office, and by others who may have an interest in the elected office. He noted that the process neither assumes nor precludes the re-nomination of a person who may presently hold the office.

Discussion followed regarding the rationale for recommending an alternative to the current process; concerns about the incentive of individuals to apply for the position if the term is only three years; and the history of the process of electing a Stated Clerk in Heartland Presbytery.

The motion was approved.

2.) The Personnel Committee recommends to Presbytery Council that the process for filling the office of Stated Clerk outlined above be referred to the Church Order and Listening Division to be incorporated into the Manual of Administrative Operations of Heartland Presbytery as the standard procedure in Heartland Presbytery for electing a Stated Clerk to a three-year term or when filling an unexpired term.

The motion was approved.

Report from the Associate Executive Presbyter Search Committee

The Co-Moderators were unable to join the council so Charles Spencer reported on their behalf that they will be presenting their candidate for the AEP at the April presbytery meeting. The candidate has decided not to notify her congregation until following her examination on the floor. No further information was released.

Leadership Reports

Executive Presbyter Charles Spencer reported that the presbytery is doing well but could be doing better. COM continues to reach out to vacant churches through Face to Face events and the Pastoral Residency Program to try to introduce new faces in ministry to the churches. Presbytery wide events are allowing for the lay people to get acquainted and exchange ideas. Difficult situations always diminish the individual church in the situation and the presbytery. Presbytery needs to build up the other churches by demonstrating vitality and the benefits of presbytery membership.

Acting Associate Executive Presbyter David Cliburn reported that the Arabic Speaking Fellowship was received as an immigrant fellowship at the February presbytery meeting. They hope to call their first pastor who is a member of the Synod of Egypt and will arrive the week following Easter. He hopes to be ordained by the PC (USA) although financial obligations to serve in the Egyptian church to repay his Cairo Presbyterian Seminary loans may be an obstacle.

Director of Community Mission Bill Johnson reported that the Ivanhoe Neighborhood endured the highest number of murders in Kansas City. Breaking and entering crimes had increased with the economy's downfall. In this neighborhood, there's a church on every corner but 50% of the youth in the area are un-churched. Bill is involved in helping coordinate efforts of the church to band together to be more effective. Bill worked with the National Week of Prayer to End AIDS programming. Rev. Sam Mann gave the closing prayer at the week's end of activities. Bill continues to work with veterans to claim their benefits having learned that one veteran worked for ten years to gain his benefits.

LAMP did not receive the tax credits for which they had applied.

Presbytery Moderator Chad Herring reported he is learning the role of the moderator. He enjoyed his first presbytery meeting and has participated in his first ordination on March 14th for Amy Ramirez-Spears at Grandview Park. Previous Moderator Jack Schrimsher presided at Bonnie Grabowski's ordination and installation at First, Savannah, MO. The Rev. Kirk Perucca will be installed on March 28, 1:30 p.m. at Covenant Presbyterian Church, KCMO.

Council Moderator – Vice Moderator Carla Gentry read an emailed report from Jack Schrimsher who had survived his foot surgery and its immediate pain, however, his mother has taken a turn for the worse today and our prayers are coveted.

New Business

Bill McEachen moved that the one-time invitation to the Council to meeting at the Heartland Presbyterian Center on May 17, 7:00 p.m. be accepted and a meal will be provided at 6:00 p.m. to those who wish to dine at the conference center. Donations for the dinner would be gladly be accepted. The motion was seconded and approved.

Approval of the Presbytery Docket

Moderator Chad Herring recommended that the Report of the AEPNC be named an Order of the Day and moved to 11:25 and Stewardship pushed back to 11:50. The Order of the Social Justice Ministries Division was reversed and the spelling of Thwake Village corrected. The Guatemalan Partnership was added under Announcements. Committee on Ministry will conduct the AEP candidate's examination for membership in the context of the Report of the AEPNC. If COM has no other business than its report, the 2:30 slot for COM will be removed and adjournment will be at 2:30.

Chad Herring moved the docket as amended. It was seconded and approved.

Marcus Cumpton moved that the Council adjourn. It was seconded and approved.

Vice- Moderator Carla Gentry adjourned the meeting with prayer at 8:45 p.m.
