

What Can You Do With Left-over Change?

Bring it with you to the Presbytery Meeting, April 20, 2010!
The Stewardship and Mission Interpretation Folks will demonstrate what a Noisy Offering looks like (and sounds like!)

Participate in a **NOISY OFFERING** experience. All money collected will go to the Haiti Relief Fund and to Heartland Center, along with the regular offering that day. .

So gather up the loose change in your house, (it's just collecting dust where it sits), and bring it with you.

Be **AMAZED** at what God can accomplish with the loose coin
Noisy Offering.
