

# THWAKE VILLAGE CONNECTION

The Mission Group that went to Thwake, Kenya in February is giving the people of Thwake a “hand up” by financing the building of a Health Center in their village. The building of the Health Center has begun and will be completed by the end of the summer. The next step is to furnish the Health Center and hire a Nurse to staff it.

The cost of the Health Center has already been raised. It is expected that Medical Missions will donate the furnishings and supplies, but the wages for the Nurse are still needed. A Nurse can be hired for \$3000 a year. If 12 churches each commit to paying **one month’s salary (\$250) a Nurse** can be hired for a year.

Will your church be one of the 12?

\_\_\_\_\_ will commit to paying  
Name of Church

\$250 for one month’s salary for a Nurse to staff the Health Center in Thwake Village, Kenya.
