Engaging The Spirit:

The Ministries of Prayer, Presence and Prophetic Witness

Deacons are a reflection of the heart of Christianity. While all Christians are called to be involved in the ministry of caring for persons in need, the ministry of the deacon is the light that guides the way. As our country faces some of its most challenging times, people are in desperate need of care and compassion. Those who are called to be deacons have the opportunity to model and extend the love of Jesus Christ as they reach out to persons in the congregation and in the community. Being a servant to all is tough business. Working with people's problems, hurts, disappointments and needs requires one to be a person of spiritual character. Persons of spiritual character are committed to a life of prayer, study and other spiritual disciplines. Join us, on as we discover new ways to engage the gifts of the spirit.
