

Heartland Presbytery Meeting Highlights September 18, 2010

Heartland Presbytery was hosted by the new Kaw Prairie Community Church. The presbytery worshiped in “Kaw Prairie Style” complete with musical band and the Rev. Dan McKnight, pastor, preaching the sermon. Rev. Elise Hawke celebrated communion. The worship offering of \$1,082.50 equally benefitted the jobless and homeless ministry of Calvary Presbyterian Church of Independence, MO and the Harold Thomas Center for Reconciliation Community Mission Emergency Fund.

The presbytery examined Presbytery of Sacramento candidate Jason Ku for ordination in order that he might serve as the designated pastor of First, Holden, MO. The presbytery also welcomed into membership Revs. Ayana and Aaron Teter (South-Broadland, KCMO); Rev. Bruce Bradley (Faith, Raytown, MO); and Rev. Ted Pierce (Associate, Rolling Hills, OPKS). The presbytery also established an administrative commission to assist and support the Mound City (MO) Presbyterian Church as it considers the future.

The 2011 Minimum Salary for Full-Time Pastors was adopted and is \$36,560 (salary and housing). The 2011 Per Capita and Shared Mission Giving budgets were adopted. Per Capita for 2011 will be \$32.13. Narrative budgets were provided in the presbytery packet for sessions to use as they set their budgets for 2011.

The Thwake, Kenya village dispensary is nearing completion. Four churches have stepped up donating \$250 each to provide one month’s salary for a nurse at the dispensary. It is hoped that eight more churches will sponsor the nurse one month each. A second trip to Kenya is planned this fall to begin work on the bore hole to provide clean water in or near the village.

The presbytery commissioned our next group of travelers to Guatemala leaving next month to visit our sister presbytery Maya Quiche.

Commissioners to the 219th General Assembly gave their reports to the presbytery in writing (available online in the presbytery packet) and verbally. To summarize them all, it was a life changing experience.
